ANIMAL HEALTH - SANTE ANIMALE

VETGOLD is a safe, effective, natural cream that helps promote natural healing in a variety of skin conditions.. It is ideal for pets with dry, damaged or irritated itchy skin. It has been very helpful in cases of licking, scratching, minor burns and abrasions.

VETGOLD is easily absorbed into deep skin tissue to help return skin to its natural state.

VETGOLD is enriched with Dead Sea minerals, natural oils and natural plant extracts.

VETGOLD contains five main ingredients known to be valuable for helping a variety of skin conditions:

- Avocado Oil
- Aloe Vera Flower Extract
- Dead Sea Mineral Salt
- Calendula Extract
- Propolis

VETGOLD cream was developed, and is manufactured , in Israel.

#### **Directions for Use:**
